DuraFinish™

Preserving a legacy. Providing peace of mind.

Strength over time and a beautiful finish — that's exactly what we promise with DuraFinish. Applied in two layers and custom-formulated exclusively for Coldspring, this unique finish, available in both matte and glossy, is designed to slow the natural oxidation of bronze, resulting in an attractive and natural patina on a memorial that stands up to the elements.

DuraFinish is true to its namesake, delivering durability that exceeds the United States Department of Veterans Affairs memorial standard specifications.
